### **UPDATE ON COVID MEASURES**

While Ontario is soon moving into Phase 3 of its reopening plan, the Council have decided to maintain our current measures to the end of July, and review again then.

As such, the gate/checkpoint will remain in place for the time being.

Our offices remain closed to the public but are being modified for safety measures to support the return to work of all of our staff and eventually to reopen to our members.

In the meantime, Council reminds all our members that the pandemic is not over! The number of cases continues to grow in Ontario and many more people are moving into and through our area for work and holiday.

As such, we continue to urge you to use social distancing and masks, do regular handwashing and/use hand sanitizer.

Our Health Dept. will soon be releasing further public education and advice to keep our citizens safe as the pandemic continues.
