SUMMER COMMUNITY EVENTS, INCLUDING POW WOW, CANCELLED

It is with great disappointment that the Council today officially cancelled our roster of summer events including the Pow Wow, Community Week and National Aboriginal Day.

The Council's decision was made due to continuing pandemic conditions and risks and the continuing ban on assembly of large groups in Ontario. The Council is aware that other First Nations in the region have made similar decisions, and many other traditional events like the CLE, have already been cancelled this year.

The Council looks forward to a time when our membership can again assemble safely to celebrate our culture, heritage and family.

Miigwetch and be safe.
