GIVE YOURSELF SOME EXTRA TIME WHEN LEAVING OR RETURNING TO MOBERT.

Mobert residents need to be prepared for reasonable delays when leaving and returning the community.

Our security personnel will need to take time to explain the conditions that you are agreeing to when leaving, and also to provide information on COVID precautionary measures and administer a COVID questionnaire when returning.

This may take a few minutes or longer, depending on line ups.

Please give yourself extra time as our security personnel are required to complete these procedures for every person leaving and returning.

OVERNIGHT NIGHT TRIPS AND TRAVEL OUTSIDE THE IMMEDIATE AREA ARE STILL NOT PERMITTED!

Last week, the Council approved relaxed measures to travel between Mobert and the immediate area (e.g. Marathon, White River) only.

This is a reminder that overnight travel for residents is still not permitted, and only in cases where you have a medical appointment confirmed by our Health and Social Services Dept.

Also, non-work-related travel out of Mobert is only permitted between 5 a.m. and 10 p.m. daily, and for a maximum of 8 hours.

Persons who break these rules can expect to be denied entry when returning to Mobert, and will need to apply for return which will include conditions such as a mandatory 14-day quarantine.
