UPDATE ON FOOD AVAILABILITY IN MOBERT

Please be advised that food will be available for pick-up for families in need commencing tomorrow (Thursday) at noon.

We have a mix of items to select from.

Members can come to either the school or the community hall between **noon and 5 p.m.**

After tomorrow, we will be open for pick up on **Mondays, Wednesdays and Fridays.**

Please, only one person per family as we have to continue to do social distancing. And when waiting for service, make sure you keep apart from others by at least 6'!

Also, quantities will be limited, but please be aware that we are replenishing our food supply at least weekly.

Each home will be allowed one pick up per week.

If you need delivery, or any information, please contact:

Jocelyn: (807) 228-0852

or Alex: (705) 975-8996

You are also ok to request your family or friends who live in surrounding communities to bring food and other supplies to the gate. Our security personnel will receive and hold those goods and our local security will deliver them to you.

Please be patient with us. Our people in the community are doing their best, working long hours and doing their very best.

It is not perfect but we will not leave you without.

Please, be kind and be safe!
