Travel Advisory and Public Notice

The Chief & Council of the Pic Moberg First Nation have made the decision to temporarily suspend travel for Chief & Council and staff due to the COVID-19 pandemic is an appropriate course of action at this time. "The First Nation's frontline workers will continue to closely monitor this very dynamic situation and remain in daily discussions with the Indigenous Service Canada (ISC), medical services, and our membership regarding all aspects of this matter.

Areas within and outside our traditional territory may have different levels of risk. These risk levels may change as the COVID-19 event evolves nationally. If you must travel we recommend that you check your destinations for travel health notices for COVID-19 and travel at your own risk. When you return from your travel please do a Self-Isolation Check. (see attached documents on the Home page of the website for reference)

We would also like to give notice to all potential visitors who wish to visit our traditional territory and the Pic Moberg First Nation to schedule your visit until the COVID-19 Pandemic has been lifted.

We thank you for your understanding and cooperation regarding this matter.

I want to remind all Pic Moberg First Nation membership that there are actions that they should be taking every day in order to protect their health. These include:

- washing your hands often with soap and water or alcohol-based hand sanitizer
- sneezing and cough into your sleeve
- avoid touching your eyes, nose or mouth
- avoid contact with people who are sick
- stay at home if you are sick. In particular, do not visit a long-term care, retirement home or other congregate living situation.

Patrick Miller
Band General Manager
