COVID MEASURES UPDATE – MOBERT RESIDENTS CAN NOW TRAVEL IN THE IMMEDIATE

Our hard work and sacrifices are paying off.

As conditions have been stable or improving in our area, we are pleased to advise that **effective immediately**, Moberg residents will be **allowed to leave the community for up to 8 hours between the hours of 5 a.m. and 10 p.m. daily**.

You will be allowed with leave with other persons in your household (plus a driver if someone is driving you).

You are asked to stay in the immediate area, that is, within a 100 km radius of Moberg (Marathon, Manitouwadge, White River). Visitor restrictions remain in effect in Pic River.

You will no longer be required to wait for your zone to go shopping; you can go at your leisure.

But please remember, all other COVID by-laws and measures continue in full force. Persons who do not follow the rules will have these privileges revoked.

Remember, maintain safe practices while interacting with anyone outside of your immediately household including wearing a mask, social distancing and hand washing/hand sanitizing.

Reusable masks are now being distributed in the community along with instructions on their use.

If you have any symptoms of COVID, immediately self-quarantine and call the health team to arrange for a screening.

There will be further updates next week on traditional land-based activities and visitors, and others, as we slowly implement our reopening plan.

Miigwetch and stay safe!
